

Culture Regeneration Research Society USA 2013 Financial Report

We sincerely give thanks to your love gifts, allowing us to realize our ministries.

We are pleased to report the finance of the year 2013: Total receipt \$331,963 and total expenditure \$316,161; leaving a surplus of \$15,802.

This is our first year of having surplus, thanks to the support of donors, especially the special donation received in December 2013. We also thank the volunteers with involvement in all aspects, saving us resources in different areas.

We are planning to strengthen the caring of students with the surplus, in nurturing their ethics. We are pledging for your support in the development of the ethics of the students to build a better society.

The Bible says, "Whoever gives one of these little ones just a cup of cold water to drink in the name of a disciple, most certainly I tell you he will in no way lose his reward." We wish you all the best for your good deeds.
