

2022 Taiwan Short Term Mission Prayer Guide (2022.7.7)

Praise the Lord, this year 2022, FECSGV Taiwan short term mission will be entering its 15th year. Even still in pandemic, God open the door and lead us to serving 5 schools about 600 students in one week (7/30-8/5). With God's grace, in 2008, we started from a very small scale and gradually grow to cover a rather large area from Miao Li, through Tai-Chung, Zhang-Hua to Yun-Lin counties. We use the format of "English & Character Educational Camp". By introducing them different holidays such as Valentine, Thanksgiving, Christmas and Easter we reach out to the students. Since 2015, we established our first Community Center (JiaAmerica) in Da-Jia. In following years, God continue bless us to set up 5 additional centers in Zhang-Hua to Yun-Lin area to serve local students and adults.

Due to the COVID pandemic, the English Character Camp had to be cancelled for past two years in 2020 & 2021. For now, even though the COVID situation is better, however the visitors from abroad still required to be quarantined for about a week, therefore teachers from US will be very limited. Thank God teachers from Taiwan quickly picked up the baton and bridged the gap. This year 2022 we have decided to adopt a smaller scale to restart again. To keep safe, all the teachers stay in one camp and follow a strict epidemic prevention policy to protect teachers and students.

From US attendees:

1. Alan & Esther Liang
2. Stephen & Marian Tzeng
3. Connie Sun
4. Few young English teachers

From Taiwan:

We have recruited about 60 teachers from different Churches and have held 3 training seminars for the teachers so far.

The field is white and ready to be harvested. We will need your prayerful as well as financial support.
