MAY 20, 2023

2023 World Vision Global 6K for Water Online Registration

FACT #1: More than 800 children under the age of five die every day from diarrhea caused by contaminated water, poor sanitation, and improper hygiene.

FACT #2: The average distance many women and children in the developing world walk for water is 6K (3.7mi).

FACT #3: The global water and sanitation crisis can be solved. \$50 provides clean water to one person in need for an entire year. Please join us in this fundraising effort to provide clean water for those who are in need!

Date: May 20, 2023 (Saturday morning, details to be announced)

Venue: We welcome your participation in the joint event at the Arcadia Community Regional Park, but individual and group activities on different dates and/or in different places can be done at your convenience.

Online Registration and Donation: (all links are case sensitive)

FEC Glendale
tiny.cc/FECG6K23
