

2023 Taiwan Short Term Mission Prayer Guide

Praise the Lord, this year 2023, FECSGV Taiwan short term mission will be entering its 16th year. Even in the pandemic, God still opens the door and leads us to serve 10 schools, including 9 middle school and Hui-Ming school of the Blind, as well as an adult team to serve by visitation and Happiness Group at Yun-Lin, serving total about 1000 students and adults in one week (7/22-7/28). With God's grace, we started from a very small scale in 2008 and gradually grow to cover a rather large area from Miao Li, through Tai-Chung, Zhang-Hua to Yun-Lin Counties. We use the format of "English Character Camp". By introducing them different holidays such as Valentine, Thanksgiving, Christmas and Easter, we reach out to the students. Since 2015, we established our first Community Center (JiaAmerica) in Da-Jia. And in following years, God continues to bless us to team up with several churches in Taiwan and set up total of 7 community caring centers in Tai-Chung, Zhang-Hua to Yun-Lin County to serve local students and adults.

Due to the COVID pandemic, the English Character Camp had to be cancelled for the past two years in 2020 & 2021. For now, even though the COVID situation is better, however the coworkers from abroad are still very limited. Thank God teachers from Taiwan quickly picked up the baton and bridged the gap. This year 2023 we have decided to adopt a smaller scale of 10 schools. To keep safe, all the teachers stay in 2 camps and follow a strict epidemic prevention policy to protect teachers and students.

There are about 60 team members from the US, key leaders are:

1. FECSGV: Elder Alan & Esther Liang
2. FECSGV: Stephen & Marian Tzeng
3. FEC-DB: Rev. Peter Cheng, Shillane Chen
4. EFCLA : Rev. Benson Wang, Rev. Josh Sun
5. DEC: Pastor David Yu & Connie Sun

From Taiwan, we have recruited about 60 teachers from different churches. Therefore, we have total around 120 team members this year.

The field is white and ready to be harvested. We will need your prayer as well as financial support.
