Rev. Bob Sjogren
Plenary Speaker
President of Unveiling GLORY,
Co-founder of Frontiers

Bob's ministry focuses on awakening the church to a new awareness of God's glory in all areas of life and to see that glory revealed to all peoples worldwide. After college, he pioneered work in Libya, an untouched country, and later helped in founding Frontiers and the Caleb Project. Recently, he has established the "Fast for the President" where believers from around the nation are fasting for the holiness of the president of the USA.

Bob has been mobilizing the body of Christ toward revealing God's greatest glory through reaching all ethnic groups with the gospel. Much of his teaching is in audio, video and book form. He has authored and co-authored many books. His teaching includes "The Journey" (www.OurJourneywithHim.com), and "Prayer To Go" where believers can download God-centered prayers to their mp3 players to stay focused in prayer (www.prayertogo.com).

Rev. John Lo
Youth Speaker (October 1)
Senior Pastor, Epicentre Church

John has served as the Pastor of Youth and Young Adults at FEC, Glendale for 13 years. Seven years ago he was sent to plant Epicentre Church in Pasadena, whose vision is to become a church that plants other churches. Since then, Epicentre Church has planted a church in Lincoln Heights and has started what they hope is the beginning of a church planting movement among Muslim villagers in Malawi, Africa. Along the way, they have seen some amazing things happen as they follow God!

Mr. Tom Hsieh
Youth Speaker (October 2 & 3)
Board member of Servant Partners
CEO of SplinterRock, CEO of Aviso Enterprises

After graduating from Harvey Mudd College, Tom chose to pursue God's kingdom first. He gave up several lucrative jobs to work for minimum wage so he could learn about God's love for the poor through an internship with Servant Partners. However, God gave him other opportunities, and during his 10 years of employment at Earthlink he rose to become an executive. Tom later started the Technology Consulting and Brokerage firm called SplinterRock where he now serves as CEO. The firm donates profits back to various non-profit organizations. He also serves as CEO of Aviso Enterprises. Tom teaches regularly about discipleship, giving, and business as mission. Most recently, he shared with students through the Business as Mission Track at the Urbana Conference.
